Chairman IMA Greece <chairman@gr.ima-network.org>

Wed 10/5/2022 10:20 PM

To: WA-Alliance Secretary <Secretary@WA-Alliance.com>

One of the objectives of the Greek IMA Group is to bring students or young professionals closer to the profession of administrative assistant. We believe that young people are the future of the profession and of our association.

We contact the schools/colleges, inviting them to the training and social events we organize.

We also seek to contact students by undertaking speaking/presenting on a topic of interest to them. We have already done some talks/presentations to faculty groups.

In every activity that has a cost, we give them a lower price.

Kind regards
Gina Theofilidou
